

MICHIGAN STATE UNIVERSITY  
SPARTAN STUTTERING LAB

# PAID RESEARCH OPPORTUNITY

Seeking  
volunteers to  
participate in a  
paid, NIH-funded  
research study:  
*"Stuttering in  
the Real World:  
Investigating  
the variability of  
stuttering."*

Participants will  
wear a small  
microphone to  
record their speech  
for 7 days.  
All necessary  
equipment will be  
provided by the  
researcher.

## Eligibility Requirements
