

JOIN OUR RESEARCH STUDY!

STUDY PURPOSE

- We want to know if we can improve children's speech-language treatment by providing client feedback to clinicians.

WHO CAN JOIN?

- Children aged 5-10 years who receive speech-language treatment services and one parent or guardian

WHAT WILL I DO?

- **Children will:** complete weekly meetings with research staff to answer questions about their speech-language sessions.
- **Parents/caregivers will:** complete weekly surveys about their child's speech-language sessions, and provide additional information at the start and end of the study.

WILL I GET PAID?

- Children are paid \$5/meeting over 12 weeks for up to \$60.
- Parents are paid \$5/weekly survey over 12 weeks for up to \$60.
