

Paid Research Opportunity for Adults Who Stutter

Are you a person who stutters?
We need to hear about your coping strategies.

Participation involves:

- Completing four anonymous online surveys about your stuttering coping strategies, anxiety, resilience, and quality of life (about 45 minutes total).
- Receiving a \$25 Amazon gift card, plus the opportunity to receive another \$25.
- Your participation will help improve understanding and support for people who stutter.

Want to take part?

Scan the QR code and fill out a quick pre-screen survey.

This study has been approved by the National Stuttering Association Research Committee (#126-7) and the Wayne State University Institutional Review Board (IRB-25-04-7663).
